## **SUBMISSION REQUIREMENTS AND RULES**

Complete the Entry Form and include one check for the fees. Be sure to include all of your guest information. This Entry Form may be completed and sent in at any time, but must be received by March 1, 2012. The RMRLGA member **MUST** provide all information regarding her partner before March 1, 2012 or the entry will be considered incomplete and the member will receive no refund.

Participants are required to have a USGA or Canadian 18-hole handicap index verifiable by the Tournament Committee.

The maximum handicap allowed is 36. There will also be a 10 stroke maximum differential between partners (with the higher handicap adjusted as required to meet the 10 stroke difference). For example, if one partner's handicap is 40, they will be assigned a 36 handicap. Also, if one partner's handicap is 30 and the other is 16, the higher handicapped partner will be reduced to 26.

## **TOURNAMENT FORMAT**

All play will be from the red tees and handicaps will be calculated according to USGA guidelines for the type of event being played each day. Day 1 will be Chapman/Pinehurst Stroke Play. Day 2 will be a combination of Four-Ball Stroke Play (also known as Better Ball of Partners) for 9 holes as well as 9 holes of individual stroke play with aggregate score. There will also be an optional putting contest and an optional Shootout on Day 1.

## **PRACTICE ROUND**

You may make your own tee time for an optional practice round any time between March 1 and March 12, 2012. Green fees will be \$45 for your guest for one practice round so be sure to mention Jewel of the Desert practice round when making tee times.

## **CANCELLATIONS**

If either partner must cancel due to a medical or personal emergency, the remaining partner may elect to find a replacement for the event or ask for assistance from the Jewel Committee to find a replacement. Both member and guest on the team must have verifiable established handicaps.

## **REFUNDS**

If a replacement partner or team cannot be found before March 1, 2012 (by the original partner or from the committee's waiting list), the total money paid will be refunded. Due to administrative costs, we are unable to refund any money to those who cancel on or after March 1, 2012. Any replacement partner or team must also have a verifiable established handicap.
